# Alternate Uniform

In fixtures where uniforms, or parts of the uniforms, are very similar, the first named team (home team) is to wear their club uniform, the **away** team is to wear an **alternative uniform**.

Mods shirts can be turned inside out as an alternative strip. Yellow socks are a must for all Mods players. If all team members have access to the older style yellow Mods shirts (see below), then please wear them.

**Please note opposition teams can put in a complaint to Hockey WA that could result in a fine to our club if the away team does not wear an alternate shirt and/or socks.**

**Clubs that have similar uniforms to Mods:**  
(see [this link](#) for a more complete list)

- John XXIII – **Shirt**
- Suburban Lions – **Shirt**
